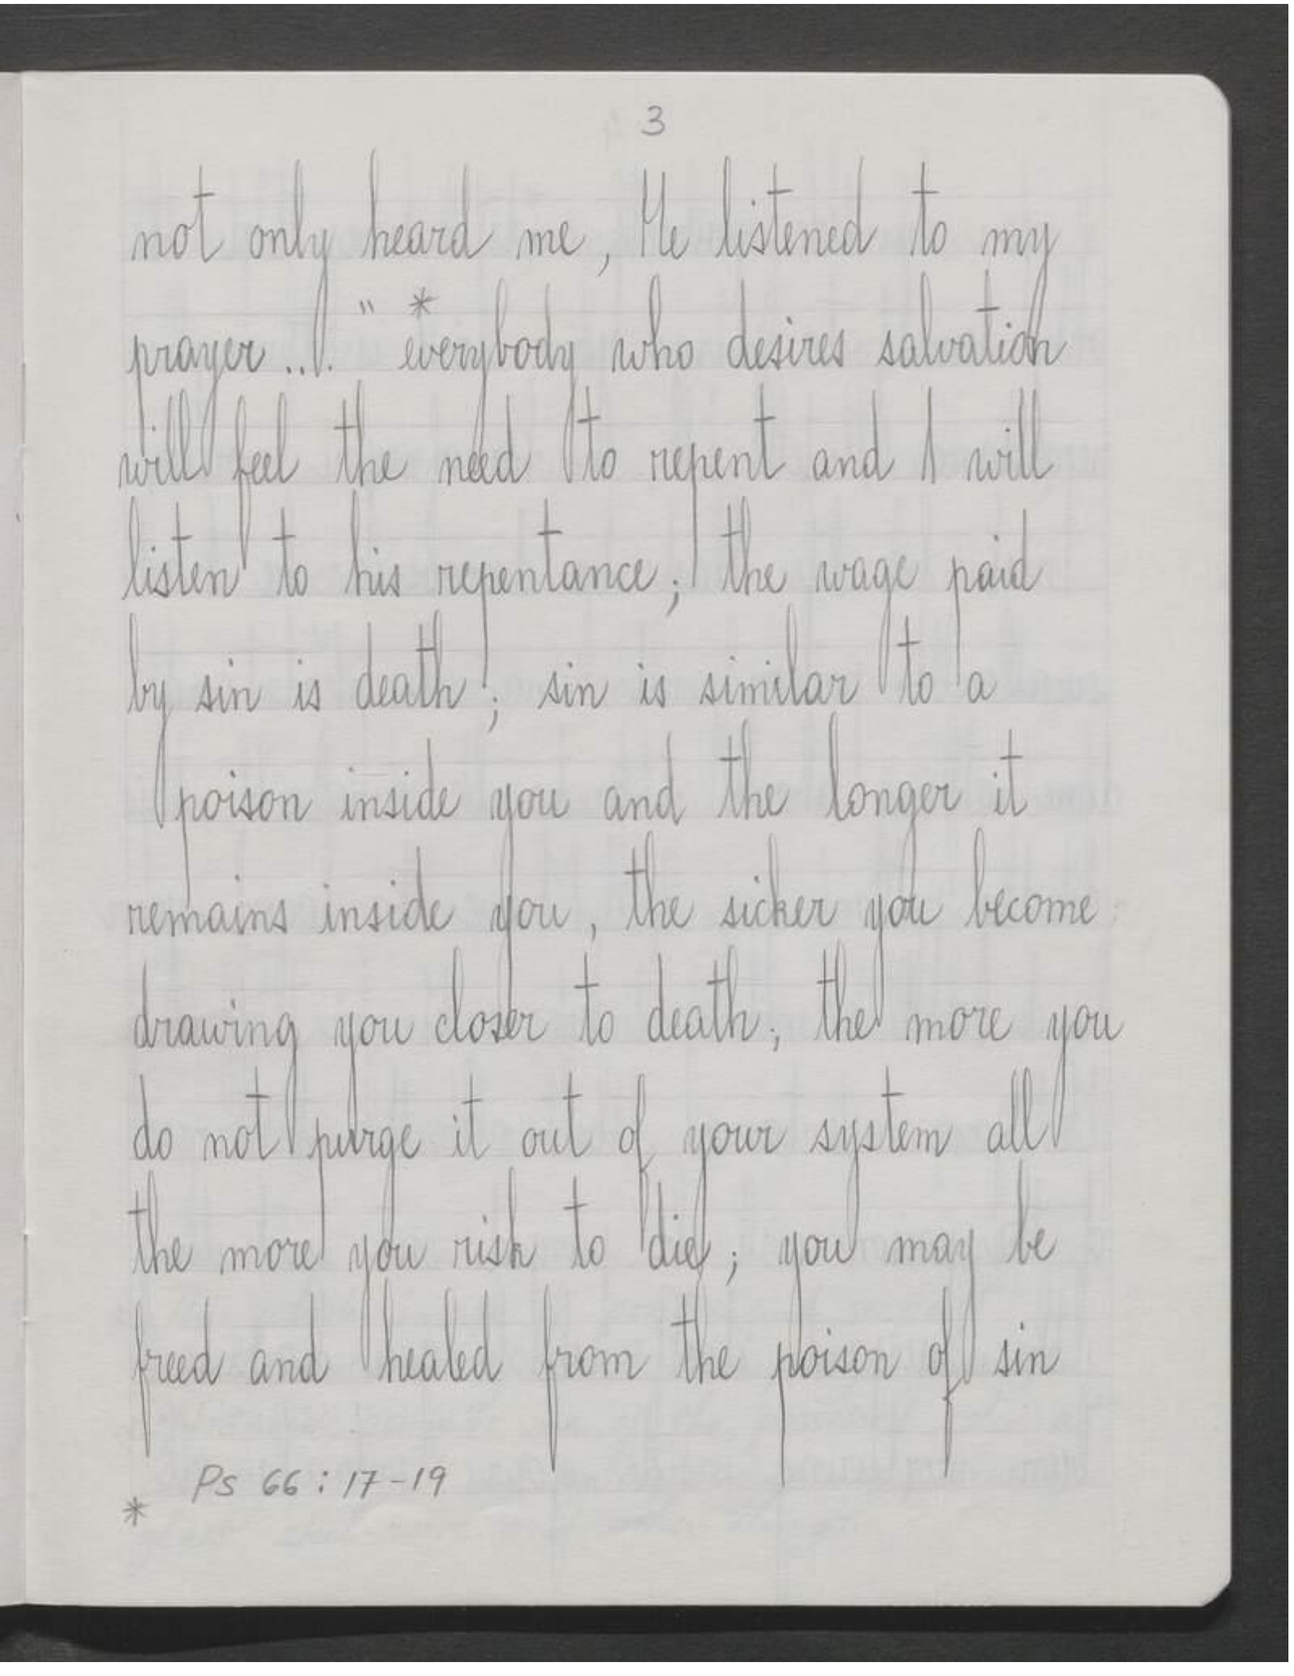
the treasure of intimacy with Me as soon as this humble act is done; in the treasure of intimacy they discover My friendship; the greater the repentant is sincere, the greater My friendship; each word uttered in truthfulness draws My friendship closer, for My friendship ensues in proportion to his repentance; it is written:

"when I uttered my cry to Him and high praise was on my tongue, had I been guilty in my heart, the Lord would never have heard me; but God



not only heard me, He listened to my prayer..."* everybody who desires salvation will feel the need to repent and I will listen to his repentance; the wage paid by sin is death; sin is similar to a poison inside you and the longer it remains inside you, the sicker you become drawing you closer to death; the more you do not purge it out of your system all the more you risk to die; you may be freed and healed from the poison of sin

behind you all your violent thoughts
and do not give Satan a foothold
clinging to your grudge against anyone,
for the Father in Heaven will deal
with you severely; do not be like the
